

Dear Community Member,

My name is Pamm and I'm the owner of a local home-based child care. I care for infants and young toddlers, ages newborn through two-years of age. Pamm's House has been open for ten years.

In addition to the ten years of experience of owning my own child care business, I possess an AA degree with an emphasis on Early Childhood Education. I have also had several years of babysitting experience, abundant child care trainings, workshops, extensive research in child care and even home schooled our own children for over eleven years.

I retain a Lake Havasu City business license and my home is inspected several times a year by the over-seeing agency, B.J. Enterprises, as well as by the Mohave County Health Department and Lake Havasu Fire Department.

In addition to infant and toddler care, I maintain a web site for child care providers, home school teachers, Sunday School teachers, families, and just about everyone. It is a wonderful resource with free infant and toddler curriculum, menus & recipes, information about my child care and a whole lot more. I urge you to visit [www.pammshouse.com](http://www.pammshouse.com).

Thank you for reading this introductory letter. Please feel free to share it with anyone. I have included business cards to share and a copy of my latest reference letter about my child care on the back of this letter.

Thank you,

Pamm Clark
