

Scripture Sheep

This cute sheep craft can be adapted in a number of different ways to be used as a simple Bible craft or as a memory verse game.

Paper Accordion Sheep

- Cut out scripture sheep. Write memory verse on front and back if desired.
- Cut two strips of paper 2 cm wide and 20 cm long.
- Glue ends together to form an "L" shape.
- Fold each piece over the top of the other to create a mini accordion. Glue together the ends.
- Glue each end of accordion piece to front and back of sheep.

Marshmallow Sheep

- Cut out scripture sheep. Write memory verse on front and back if desired.
- Place a small amount of icing to the back of each part. Use this to attach a marshmallow (try using giant marshmallows!) between the two parts of the sheep.

Other Suggestions

- If making a flock of sheep make a small sheep pen basket to carry them. Cut the top half off a small milk carton. Cut Popsicle craft sticks in half and attach to outside. Make a handle using a length of cardboard.

Scripture Sheep Memory

- Print out a number of copies of the template or alternatively, paste the template into a program such as Publisher. Print or write the first half of memory verses on sheep front card and the second half and/or the reference on the sheep back card.
- Cut out and play memory with the cards.
