

## Pamm's House Preschool Curriculum

### Supplies for Every Week

100 Bible Stories, 100 Songs--in bookstores & Amazon.com  
CD player or MP3 player  
Alphabet & number flash cards--can be homemade  
Sensory tub or table--can use a dishpan  
Sign Language website or book

### Preparation

Put together a Circle Time bucket (dishpan), box, or mailbox. Keep flash cards of the week, the Bible story book, and other items you use daily for teaching the children. Set up a CD player to listen to the Bible songs daily. Learn sign language for the letters you are working on. Giving the children a motion to the letters and sounds helps the children to retain what they learn. Teach children the sounds and names of the letters: A= "aye", "ah", "a", and so on. Yes, there are blank squares in the lesson plans. You can either leave them blank, use that time as review, repeat a favorite activity, or fill them in with activities you find and want to try.

### Supplies for Sept. Week 1

Rock for each child, paint, glitter, wiggly eyes  
Saving cream  
Magnet letters or letter tiles  
2 buckets or baskets, labels 1 & 2, bean bags  
Colored construction paper, pencil, scissors, wreath shape (paper plate w/center cut out), glue or glue stick  
Balls of different sizes

### September Week 1 & 2 Sensory Tubs

Creation--rocks, dirt or sand, plastic animals & people, toy trees, silk flowers, etc.  
Separate water tub--toy water animals, rocks, sea plants, etc.

Can have them out together or at different times.

### Supplies for Sept. Week 2

Crackers, peanut butter, toothpaste  
Blue & green paper, paper plates, glue, globe  
Random toys and objects to throw & count  
Copies of printables, crayons, pencils  
Paper, pencil, scissors  
Rhythm interments  
Material to make books with the children
