

# August -- Week 1 Apples & Red

July 28, 2008 - August 1, 2008

## Toddler Tip

Try having "Circle Time" while the toddlers are sitting in their high chairs coloring, eating, or playing with playdough.

## Snacks

Apple Juice, Apple Sauce, Sliced Apples, Baked Apples, Apple Snack Pies, Apple Jacks cereal, Bagels with Apple Butter, Biscuits

## Letters A & B

Sing the alphabet song.

Go on an alphabet hunt around the house: Search for items that start with the letters A & B

Make an alphabet book: draw things, cut-out pictures from old magazines, stickers, etc. that start with the letters A & B. Make one page for each letter. You can save the pages to bind later or put in a binder now. This is an on-going project, so save the books to add to.

## Alternate Activities

Stamp Paint - cut one apple horizontally and one vertically. Dip cut sides of apple in paint and stamp on construction paper.

Marble Paint with a real or plastic apple

Finger Paint with apple sauce.
